

Arrival instructions to Hakametsä Drive-In coronavirus sampling (ice arena car park)

Address: Hervannan valtavyölä 57, Tampere

Sampling takes place in a tent at the parking lot.

Note: make sure to have your mobile phone and a personal id card with you. Face mask is recommended.

Follow these steps:

- Follow Fimlab signs (Koronanäytteenotto), see map below.
- Observe traffic safety.
- Drive into tent and stop at the traffic controller.
- The traffic controller will guide you into a queue.
- Drive up to the guide sign, stop the car and shut down the engine.
- Have your id card at hand and call the number provided on the sign.
- Follow the instructions you receive over the phone.
- Turn the engine off during sampling.
- Sampling takes place in the car.
- Exit the sampling space carefully.
