

<p><b>1. Name of the register</b></p>	<p>The logistics of remote testing for STDs (<i>Seksitautien etättestauksen logistiikka</i>)</p>
<p><b>2. Data controller</b></p>	<p>Fimlab Laboratoriot Oy PO Box 66 FI-33101 Tampere</p>
<p><b>3. Contact person in register-related matters and Data Protection Officer appointed by the organisation</b></p>	<p>Satu Saloranta Data Protection Officer tel: +358 3 311 75259 email: tietosuoja@fimlab.fi</p>
<p><b>4. Purpose of and legal basis for processing personal data</b></p>	<p>The basis for the processing of data stored in the register on the logistics of remote testing for STDs is either legitimate interest related to the management of the customer relationship or compliance with the data controller's statutory obligations.</p> <p>The data controller uses the register to collect personal data needed for the remote testing for STDs according to the contract, deliver sample collection sets and develop the organisation's own operations and processes.</p> <p>The register is a subregister of Fimlab's customer register.</p>
<p><b>5. Data content of the register</b></p>	<p>The following customer data may be collected of the data subject:</p> <ul style="list-style-type: none"> <li>• Name</li> <li>• Public contact details</li> <li>• Home municipality</li> <li>• Classification according to the information provided by the customer: Tampere resident, Orivesi resident, student</li> </ul>
<p><b>6. Regular sources of data</b></p>	<p>Regular sources of data consist of the customer themselves and the Digital and Population Data Services Agency.</p>
<p><b>7. Recipients of data</b></p>	<p>The preliminary order information is recorded in the system of the organisation paying for the service.</p>
<p><b>8. Transfer of data outside the EU or EEA</b></p>	<p>In principle, personal data in the register are not transferred outside the EU or EEA.</p>

<p><b>9. Storage period</b></p>	<p>The data collected in the register are stored only for as long as and to the extent necessary for the original or appropriate purposes for which the personal data were collected. Personal data referred to in this privacy policy are stored for as long as the data controller uses them for the purposes specified in section 4. Personal data stored in the register are erased when the legal basis for their processing ceases to apply.</p>
<p><b>10. Principles of protection</b></p>	<p>Appropriate technical and organisational measures have been taken to ensure the information security of the register and the confidentiality, integrity and accessibility of the personal data collected.</p> <p>Manual material is stored in an archive and in laboratory facilities controlled with access control and/or a locking system. Electronic material is protected securely so that it can only be accessed from the organisation's intranet. The access rights to the organisation's information systems and files are based on personal access rights, and their use is controlled.</p> <p>Databases are maintained by the IT service provider. Fimlab Laboratoriot Oy's guidelines on data security and data privacy are observed in the storage of data.</p>
<p><b>11. Right to access and rectify data (Article 15 and 16)</b></p>	<p>The data subject shall have the right to know which of their personal data have been stored in the register. The request to access data or have data rectified is submitted by sending a request to the Data Protection Officer (tietosuoja@fimlab.fi).</p>
<p><b>12. Right to erasure (Article 17)</b></p>	<p>The data subject shall have the right to obtain from the controller the erasure of personal data concerning them without undue delay if</p> <ul style="list-style-type: none"> <li>• the personal data are no longer necessary in relation to the purposes for which they were collected or otherwise processed;</li> <li>• the data subject withdraws their consent on which the processing is based, and where there is no other legal ground for the processing;</li> <li>• the personal data have been unlawfully processed; or</li> <li>• the personal data must be erased for compliance with a legal obligation in Union or Member State law to which the controller is subject.</li> </ul> <p>The request to have data erased is submitted by sending a written request to the Data Protection Officer (tietosuoja@fimlab.fi).</p> <p>Despite the request to have data erased, the data controller may be entitled to continue the processing of personal data stored in the register based on a legal reason under Article 17(3) of the General Data Protection Regulation.</p>

<p><b>13. Right to restriction of processing (Article 18)</b></p>	<p>The data subject shall have the right to obtain from the controller restriction of processing if</p> <ul style="list-style-type: none"> <li>• the accuracy of the personal data is contested by the data subject;</li> <li>• the processing is unlawful and the data subject opposes the erasure of the personal data and requests the restriction of their use instead;</li> <li>• the controller no longer needs the personal data for the purposes of the processing, but they are required by the data subject for the establishment, exercise or defence of legal claims.</li> </ul> <p>The request to restrict the processing of data is submitted by sending a written request to the Data Protection Officer (tietosuoja@fimlab.fi).</p>
<p><b>14. Right to withdraw consent (Article 7)</b></p>	<p>The data subject shall have the right to withdraw their consent at any time. The withdrawal of consent shall not affect the lawfulness of processing based on consent before its withdrawal.</p>
<p><b>15. Right to data portability (Article 20)</b></p>	<p>The data subject shall have the right to receive the personal data concerning them, which they have provided to the data controller in a structured, commonly used, and machine-readable format, and have the right to transmit those data to another controller, if possible.</p>
<p><b>16. Right to lodge a complaint with a supervisory authority (Article 77)</b></p>	<p>The data subject shall have the right to lodge a complaint with a supervisory authority if the data subject considers that the processing of personal data relating to them infringes the General Data Protection Regulation.</p>
